

Gresham House Euro Liquidity Fund

May 2023

The Gresham House Euro Liquidity Fund (the Fund) is an actively managed fund which is primarily invested in short-dated government debt but may also invest in cash deposits, corporate debt and Floating-Rate Notes (FRNs).

The Fund invests across a spread of instruments and institutions to diversify risk. This generates an appropriate level of return, to include income, achieving a low level of volatility and preserving capital over the long-term.

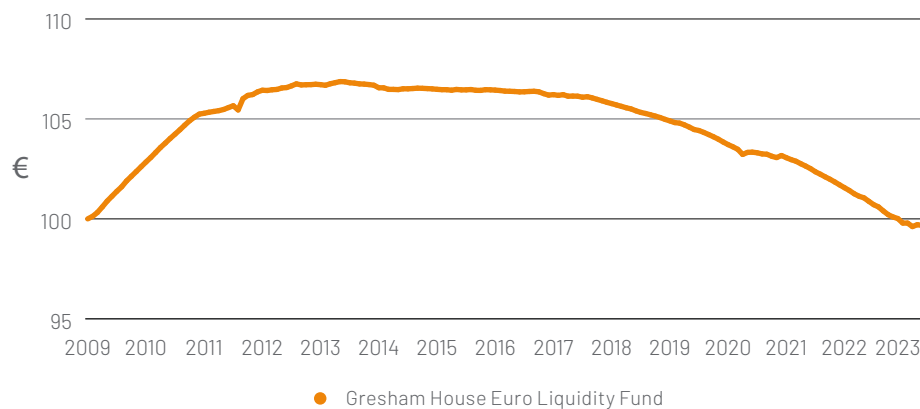

Fund objective

The investment objective of the Fund is to provide liquidity and a moderate rate of income, to the extent consistent with the preservation of capital.

The Fund seeks to achieve its investment objective by investing on a diversified basis in deposits and debt securities.
