## Our story

**Founded in 1857, Gresham House is one of the oldest companies in London.**

Since 2014, we have sought to transform the business; instilling a new ethos, workforce and investment mandate. Our culture of empowerment encourages both individual flair and entrepreneurial thinking, and this has encouraged a steady stream of new talent joining our team.

Gresham House has continued to go from strength to strength, through acquisition and organic growth, with assets under management of c.£2.5 billion<sup>1</sup> providing a strong and scalable platform from which we can continue to grow.

***Our main aim and focus as asset managers is to serve our clients - looking to the long term and making investments to be proud of.***

## Important information

This document is a financial promotion issued by Gresham House Asset Management Limited ("Gresham House") as Investment Manager for Gresham House plc under Section 21 of the Financial Services and Markets Act 2000. Gresham House is authorised and regulated by the Financial Conduct Authority with reference number 682776 and has its registered office at 5 New Street Square, London EC4A 3TW. The information in this document should not be construed as an invitation, offer, solicitation of any offer, or recommendation to buy or sell investments, shares or securities or an invitation to apply for securities in any jurisdiction where such an offer or invitation is unlawful, or in which the person making such an offer is not qualified to do so. Whilst the information in this document has been published in good faith, Gresham House provides no guarantees, representations, warranties or other assurances (express or implied) regarding the accuracy or completeness of this information. Gresham House and its affiliates assume no liability or responsibility and owe no duty of care for any consequences of any person acting in reliance on the information contained in this document or for any decision based on it.

Past performance is not a reliable indicator of how the investment will perform in the future. The value of investments and/or funds may rise or fall, and investors may not get back the amount invested. This document is provided for the purpose of information only and before investing you should read the Prospectus and the Key Information Document (KID) available from [www.greshamhouse.com](http://www.greshamhouse.com) as they contain important information regarding the funds, including charges, tax and fund specific risk warnings. Prospective investors should seek their own independent financial, tax, legal and other advice before making a decision to invest. This document has not been submitted to or approved by the securities regulatory authority of any state or jurisdiction. This document is intended for distribution in the United Kingdom only.

**Any dissemination or unauthorised use of this document by any person or entity is strictly prohibited.**
