Risks

- + The value of the fund and the income from it is not guaranteed and may fall as well as rise. As your capital is at risk you may get back less than you originally invested.
- + Past performance is not a reliable indicator of future performance.
- + Funds investing in smaller companies may carry a higher degree of risk than funds investing in larger companies. The shares of smaller companies may be less liquid than securities in larger companies.
- + You should note that your tax treatment in relation to any investments will depend on your individual circumstances and may be subject to change in the future. Governments may change the tax rules which affect you or the funds in which you have invested.
