The Notice of AGM sets out the Resolutions to be considered at the meeting and the purpose of this Circular is to explain certain elements of those Resolutions to you.

If for any reason circumstances change, the Company will consider these changes and, if it is appropriate, notify Shareholders of any changes to the proposed format for the AGM as soon as possible via an RIS announcement and on its website.

Description of the Formal Business of the AGM

Ordinary Business

1. Resolution 1: Receive the Annual Report and Financial Statements

The Companies Act 2006 (the “**Companies Act**”) requires the directors of a public company to lay before the company in general meeting copies of the annual report, directors’ report and its auditor’s report in respect of each financial year. These are contained in the 2024 Annual Report. Accordingly, a resolution to receive the 2024 Annual Report is included as an ordinary resolution.

2. Resolution 2: Approve the Directors’ remuneration report

The Directors’ remuneration report can be found on pages 76 to 80 of the 2024 Annual Report and is subject to an advisory vote by Shareholders, which is proposed as an ordinary resolution. It details the payments that have been made to Directors during the year, in accordance with the current remuneration policy.

3. Resolution 3: Dividend Policy

Resolution 3 proposes to approve the Company’s dividend policy.

Under the Company’s articles of association (the “**Articles of Association**”), the Board is authorised to approve the payment of interim dividends without the need for the prior approval of Shareholders.

Having regard to corporate governance best practice relating to the payment of interim dividends without the approval of a final annual dividend by Shareholders, the Board has decided to seek express approval by way of ordinary resolution from Shareholders of its dividend policy to pay up to four quarterly interim dividends per year. This dividend policy with respect to the last financial year remains unchanged to that disclosed in the prospectus (comprising a summary, registration document and securities note) published by the Company on 25 May 2022, save that the Company has not paid an interim dividend since the last interim dividend paid on 21 December 2023 in relation to Q3 2023.

Under normal circumstances and in accordance with the Company’s dividend policy, the Board would expect to pay up to four quarterly interim dividends per year. The Board will rely on this authority to pay interim dividends as soon as the Company is able to.

It should be noted that the dividend policy (and the Company’s target dividend) is not a profit forecast. Payment of dividends will depend on the Company’s capital allocation priorities, market conditions, the Company’s net income and the Company’s ongoing charges ratio. Dividends will only be paid to the extent permitted in accordance with the Companies Act.

4. Resolutions 4 to 8: Election of directors

It is the policy of the Board to stand for re-election on an annual basis. Each of the existing Directors, John Leggate, Isabel Liu, Duncan Neale, Cathy Pitt and David Stevenson will therefore retire from office with effect from the conclusion of the AGM unless re-elected and will stand for re-election by the Shareholders by means of ordinary resolution.

Following an evaluation of the Directors conducted during the year, the Board believes that each Director offering him or herself for re-election continues to make an effective and valuable contribution and demonstrates commitment to the role.

John Leggate has a breadth of board experience. The Board believes that he brings a positive view of engaging with, and responding to, changing market dynamics and that he is highly motivated to deliver value to all shareholders.

Isabel Liu has extensive experience in all phases of direct investment in infrastructure, including in renewable energy in the UK and around the world. This experience, together with her work as Chair

of the Management Engagement Committee, enable her to contribute effectively to Board discussions on project resourcing and financing, forecasts, valuations, and governance, and thus to contribute effectively to the Company's long-term sustainable success.

Duncan Neale has financial expertise, including experience working as a Finance Director & CFO in the energy sector. Duncan's work as Chair of the Audit Committee enables him to contribute effectively to Board discussions covering valuation, the performance of the Company and risk, which together aid the long-term success of the Company.

Cathy Pitt's legal expertise, transaction experience and knowledge of the investment trust sector, as well as her work as Chair of the Nomination Committee, enable her to contribute effectively to Board discussions and governance enhancement, both of which are important to the Company's long-term sustainable success.

David Stevenson's knowledge of the investment industry, and experience of communicating with the end investor through various marketing and communications channels, as well as his work as Chair of the Remuneration Committee and his work with other boards, enable him to contribute effectively to Board discussions and to the Company's long-term sustainable success.

Brief biographies of each member of the Board standing for re-election can be found on page 60 to 61 of the 2024 Annual Report.

5. Resolutions 9 and 10: Appointment of auditors and auditors' remuneration

Resolution 9 relates to the appointment of BDO LLP as the Company's auditors to hold office until the conclusion of the Company's next annual general meeting. This resolution is recommended by the Company's audit committee and endorsed by the Board. Accordingly, it is proposed, as an ordinary resolution, to appoint BDO LLP as the Company's auditors. Similarly, resolution 10 authorises the Directors, upon recommendation from the Company's Audit Committee, to fix the auditors' remuneration and is also proposed as an ordinary resolution.

Special Business

6. Resolution 11: Increase in the maximum aggregate annual Directors' fees

The Board of Directors is proposing to increase the maximum aggregate amount potentially payable to Directors by way of fees for their services as Directors under Article 101 of the Articles of Association from £500,000 to £550,000.

As explained in the Annual Report, the Board is currently engaged in succession planning and is particularly focussed on delivering a smooth transition as a number of the incumbent directors are due to retire in the coming years as their tenure comes to a natural end. In order to achieve this, the Board wishes to retain the flexibility to temporarily increase the number of directors being constrained by the limit in the Articles of Association. A modest increase in the aggregate limit on fees is therefore proposed, which should give this flexibility and help ensure an orderly succession process in the years ahead.

Accordingly, resolution 11 is proposed as an ordinary resolution to increase the aggregate amount of directors' fees payable for all members of the Company's board of directors collectively to £550,000.

7. Resolution 12: Directors' authority to allot

Resolution 12 is proposed as an ordinary resolution and is intended to renew the Company's authority to allot Ordinary Shares and new C shares of £0.01 each in the capital of the Company ("**C Shares**") for cash or as consideration for the acquisition of investments. The resolution authorises the Board to allot Ordinary Shares and C Shares generally and unconditionally in accordance with section 551 of the Companies Act up to an aggregate nominal value of £573,444.69, representing approximately 10% of the issued ordinary share capital as at the date of the Notice of AGM.

The Board believes that passing resolution 12 is in Shareholders' interests given that this authority is intended to be used to fund specific investment opportunities sourced by the Investment Manager, either by issuing new shares for cash or as consideration for the acquisition of investments. In addition, new Ordinary Shares or C Shares allotted under the authority will (i) provide the Company with the ability to issue Ordinary Shares and C Shares tactically, so as to manage the premium to net asset value per Ordinary Share or C Share at which the Ordinary Shares or C Shares trade; (ii) improve liquidity in the market for the Ordinary Shares and C Shares; and (iii) increase the size of the Company, thereby spreading operating costs over a larger capital base which should reduce the ongoing charges ratio.

Ordinary Shares and C Shares allotted under this authority will only be allotted at prices greater than the prevailing net asset value per share and a premium to cover the commissions, costs and expenses of the relevant allotment under the relevant placing.

The authority granted pursuant to resolution 12 shall expire on the earlier of the next annual general meeting of the Company, or 23 September 2026. The Directors consider it important to have the maximum flexibility commensurate with good corporate governance guidelines to raise finance to enable the Company to respond to any positive market developments and therefore believes the authority sought to allot up to 10% of the existing issued ordinary share capital of the Company is appropriate.

8. Resolution 13: Disapplication of statutory pre-emption rights

Resolution 13 is a special resolution which is being proposed to empower the Directors to disapply the pre-emption rights of existing Shareholders in relation to allotments (or sales from treasury) of Ordinary Shares for cash under resolution 12 (being in respect of Ordinary Shares up to an aggregate nominal value of £573,444.69, representing up to 10% of the Company's issued ordinary share capital as at the date of the Notice of AGM).

Resolution 13 is conditional on resolution 12 being passed. In the event that resolution 12 is not passed, resolution 13 will not be proposed to the AGM.

No allotment (or sale from treasury) of Ordinary Shares for cash without pre-emption rights will be made at a price less than the prevailing net asset value per Ordinary Share at the time of the relevant allotment (or sale).

The powers granted by resolution 13 will expire on the earlier of the conclusion of the Company's next annual general meeting or 23 September 2026 and will permit the Board to allot Ordinary Shares (or sell Ordinary Shares from treasury) after expiry of the disapplication if it has agreed to do so beforehand.

The Directors consider it important to have the maximum flexibility commensurate with good corporate governance guidelines to raise finance to enable the Company to respond to any positive market conditions and therefore believes the authority sought by resolution 13 to dis-apply pre-emption rights over up to 10% of the existing issued ordinary share capital of the Company is appropriate.

9. Resolution 14: Market purchases of own shares

This resolution seeks authority for the Company to make market purchases of its own Ordinary Shares from time to time and is proposed as a special resolution. If passed, the resolution gives authority for the Company to purchase up to 85,302,714 of its ordinary shares, or, if less, 14.99% of the Company's issued ordinary share capital immediately prior to the passing of the resolution (excluding treasury shares).

The resolution specifies the minimum and maximum prices which may be paid for any Ordinary Shares purchased under this authority. The authority will expire on the earlier of 23 September 2026 and the Company's next annual general meeting.

As referenced on page 11 of the 2024 Annual Report, the Company is considering its capital allocation post the anticipated debt refinancing. Post completion of this refinancing, the Company expects to have meaningful and growing levels of cash flow to allocate to dividends and/or share

buybacks. This resolution 14 seeks to provide the Board with the authority and flexibility to allocate funds to share buybacks, if appropriate.

In normal market circumstances the Directors intend to favour dividend distributions ahead of Ordinary Share repurchases in the market. However, if the Ordinary Shares have traded at a significant discount to net asset value per share (as the case has been recently), the Board may seek to prioritise the use of net income after the payment of dividends on market repurchases over or alongside other uses of capital. If the Board does decide that the Company should repurchase Ordinary Shares, purchases will only be made through the market for cash at prices below the estimated prevailing net asset value per Ordinary Share where the Directors believe such purchases will result in an increase in the net asset value per Ordinary Share and where the Board believes such purchases are in Shareholders' interests by addressing an imbalance in the demand and supply of shares available in the market at a particular point in time.

The Company may either cancel any Ordinary Shares it purchases under this authority or transfer them into treasury (and subsequently sell or transfer them out of treasury or cancel them).

The Company does not have any options or outstanding share warrants.

10. Resolution 15: Length of notice

The Companies Act requires the Company to give at least 21 clear days' notice for a general meeting of the Company (other than the AGM), unless the Company:

- has gained Shareholder approval for the holding of general meetings on 14 clear days' notice by passing a special resolution at the most recent AGM; and
- offers the facility for the Shareholders to vote by electronic means.

The Company would like to preserve its ability to call general meetings (other than the AGM) on less than 21 clear days' notice. Resolution 15 seeks such approval. It is intended that this shorter notice period would be used where the flexibility is merited by the business of the meeting and is thought to be in the interests of the Shareholders as a whole. Should this resolution be approved, it will be valid until the earlier of 23 September 2026, or the Company's next annual general meeting, whichever is sooner (when it is intended that a similar resolution will be proposed).

ACTION TO BE TAKEN BY SHAREHOLDERS

All Shareholders, whose names appear on the register of members at the record date shown below, are encouraged to vote via proxy at the AGM.

Accordingly, please:

- register your proxy appointment electronically at www.investorcentre.co.uk/eproxy;
- request a hard copy form of proxy from the Registrar (see note 4); or

Resolutions 1 to 12 will be proposed as ordinary resolutions and resolutions 13 to 15 will be proposed as special resolutions. In calculating such 48-hour periods, no account shall be taken of any part of a day that is not a business day.

The quorum for the AGM is not less than two members present (attending in person or by proxy).

If a quorum is not present within 15 minutes after the time appointed for the commencement of the meeting, the AGM will be adjourned to 11.30am on Tuesday, 8 July 2025, when those members who are present in person or by proxy will constitute a quorum.

RECOMMENDATION

Full details of the resolutions are set out in the Notice of Annual General Meeting below. The Directors consider that all of the resolutions to be proposed at the AGM are in the best interests of the Company and its members as a whole.

Accordingly, the Board unanimously recommends that Shareholders **vote in favour** of the resolutions to be proposed at the AGM as each of the Directors intend to do in relation to the Ordinary Shares in respect of which they have voting control.

If you have any questions that you would like to put to the Board or the Investment Manager please contact the Company Secretary, by email at GHEnergyStorageCoSec@jtcgroup.com by no later than close of business on **Tuesday, 17 June 2025**.

1.2. In the case of joint holders, the vote of the senior holder who tenders a vote whether attending virtually or by proxy shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the register of members of the Company in respect of the relevant joint holding.

2. Website giving information regarding the meeting

2.1. Information regarding the meeting, including the information required by section 311A of the Companies Act, can be found on the Shareholder information section of the Company's website at <https://greshamhouse.com/real-assets/new-energy/gresham-house-energy-storage-fund-plc/>.

2.2. The Company's Articles of Association allow the use of electronic communications with members as the default position, by placing documents such as its annual report on the Company website rather than having to send it in hard copy. The Company will notify Shareholders, by post or by email if they have provided an email address, that a document is available on the website. Members are entitled, however, to request a hard copy document at any time.

3. Attending in person

3.1. Shareholders are welcome to attend the AGM in person. Please notify the Company Secretary at GHEnergyStorageCoSec@jtcgroup.com should you wish to attend in person. This will be to facilitate access to the meeting and to make the appropriate arrangements for the meeting.

Mobile phones may not be used in the meeting room, and cameras and recording equipment are not allowed in the meeting room.

4. Appointment of proxies

4.1. A member entitled to attend and vote at the meeting convened by the above Notice of AGM is entitled to appoint one or more proxies to exercise all or any of the rights of the members to attend and speak and vote in their place. If a member wishes to appoint more than one proxy and so requires additional proxy forms, the member should contact the Company's Registrar Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY. A proxy need not be a member of the Company.

4.2. To appoint a proxy, please complete the form of proxy enclosed with this Notice of AGM or lodge a proxy instruction electronically via www.investorcentre.co.uk/eproxy. To be valid the forms of proxy, together with the power of attorney or other authority (if any) under which it is signed or a notorially certified or office copy of the same, must be completed and returned in accordance with the instructions printed thereon to the office of the Company's registrar or delivered by hand (during office hours) to the same address as soon as possible and in any event so as to arrive by not later than 11.30am on Friday, 20 June 2025.

- 4.3. A vote withheld is not a vote in law, which means the vote will not be counted in the calculation of votes for or against the resolutions. If no voting indication is given, a proxy may vote or abstain from voting at their discretion. A proxy may vote (or abstain from voting) as they think fit in relation to any other matter put before the meeting.
- 4.4. Members who wish to revoke or change their proxy instructions should submit a new proxy appointment using the methods set out above. Note that any amended proxy appointment or revocation received after the relevant cut-off time for receipt of proxy appointments (see above) may be disregarded.

- 4.6. If a quorum is not present within 15 minutes from the time appointed for the commencement of the meeting, the meeting will be adjourned to 11.30am on Tuesday, 8 July 2025.
- 4.7. Any person receiving a copy of this Notice of AGM as a person nominated by a member to enjoy information rights under section 146 of the Companies Act (a “**Nominated Person**”) should note that the provisions in Notes concerning the appointment of a proxy or proxies to attend the meeting in place of a member, do not apply to a Nominated Person as only members have the right to appoint a proxy. However, a Nominated Person may have a right under an agreement between the Nominated Person and the member by whom they were nominated to be appointed, or to have someone else appointed, as a proxy for the meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, they may have a right under such an agreement to give instructions to the member as to the exercise of voting rights at the meeting.
- 4.8. Nominated Persons should also remember that their main point of contact in terms of their investment in the Company remains the member who nominated the Nominated Person to enjoy information rights (or perhaps the custodian or broker who administers the investment on their behalf). Nominated Persons should continue to contact that member, custodian or broker (and not the Company) regarding any changes or queries relating to the Nominated Person’s personal details and interest in the Company (including any administrative matter).
- 4.9. The only exception to this is where the Company expressly requests a response from a Nominated Person.
- 4.10. Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001, only members registered in the register of members of the Company by close of business two days (excluding non-working days) prior to the time fixed for the meeting shall be entitled to attend and vote at the meeting in respect of the number of Ordinary Shares registered in their name at such time. If the meeting is adjourned, the time by which a person must be entered on the register of members of the Company in order to have the right to attend and vote at the adjourned meeting is the close of business two days prior to the time of the adjournment. Changes to the register of members after the relevant times shall be disregarded in determining the rights of any person to attend and vote at the meeting.
- 4.11. If the Chair, as a result of any proxy appointments, is given discretion as to how the votes the subject of those proxies are cast and the voting rights in respect of those discretionary proxies, when added to the interests in the Company’s securities already held by the Chair, result in the Chair holding such number of voting rights that he has a notifiable obligation under the Disclosure Guidance and Transparency Rules, the Chair will make the necessary notifications to the Company and the Financial Conduct Authority. As a result, any member holding 3 per cent. or more of the voting rights in the Company who grants the Chair a discretionary proxy in respect of some or all of those voting rights and so would otherwise have a notification obligation under the Disclosure Guidance and Transparency Rules, need not make a separate notification to the Company and the Financial Conduct Authority.

5. Appointment of proxies through CREST

- 5.1. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by following the procedures described in the CREST manual which can be viewed at <https://www.euroclear.com/about/en/business/Keylegaldocuments.html>.

CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (CREST ID 3RA50) by not later than 11.30am on Friday, 20 June 2025. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST applications host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

5.2. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.

5.3. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
